

APPENDIX A

**Notification of Funded Research
Requiring MPRL Facilities**

Return to D.L. McDowell, 4105 MRDC, GWW School of Mechanical Engineering, MC 0405
e-mail: david.mcdowell@me.gatech.edu

Please note that proposals which commit use of MPRL resources must be routed through the MPRL Director or Associate Director for signature prior to submission. The purpose of this form is to notify the MPRL staff of any such funding actually received as far in advance of proposed testing to facilitate planning/scheduling.

Faculty Name(s) _____ Date _____
Funding Source: _____
Funding Amount: _____
Funding Duration: _____

Estimate of Required MPRL Resources:

Test machines (types and number of experiments):

Accessories (e.g. furnaces, extensometers, etc.):

Do you have already trained students to conduct research?

Other needs (e.g. optical, SEM characterization):

Desired date to begin testing (be realistic): _____

Estimate of time to complete test matrix: _____

Date by which tests must be finished: _____
